

Application Deadlines & Course Start-Dates

2022-2023 CREATE Application Deadlines, Review Dates and Eligible Course Start-Date Ranges

General and Financial Waiver applications share the same deadline and same eligible course start-date range.

Financial Waiver applications are reviewed 1-week prior to the ERC review date.

If a Financial Waiver application is denied, the associated General application will be omitted from ERC review.

Applicants of denied Financial Waiver applications may reapply if course falls within eligible course start-date range of future deadlines.

- Courses must have a start date at least 30 days, but no more than 5 months, from the application deadline. An official approval letter must be received before incurring course costs.
- Plan to apply 2-3 months prior to the course start-date! Applicants can reapply using reviewer comments and scores to improve previously denied applications (provided the start-date falls within the next cycle deadline).
- **General applications will be omitted from review if the financial waiver is denied.** Applicants may reapply for the following application cycle (provided the start-date falls within the next cycle deadline).
