

RETENTION FOCUSED RESOURCES

This document includes guides and resources to aide in developing a facility-specific retention plan.

PROGRAM	DESCRIPTION
Colorado Community Health Network Retention Resources	With a focus on community health centers, CCHN provides a comprehensive list of resources including medical assistant programs, leadership, and supervisory training programs.
Colorado Department of Public Health and Environment Retention Resources	CDPHE healthcare worker resiliency and retention initiative aiming to bridge the gap between healthcare workers and supportive resources. Formatted as an interactive resource table, healthcare workers can narrow down resources specifically to their needs.
Star2Center Retention Resources	A curated list of retention resources including a pay equity checklist, comprehensive workforce plan template, workforce self-care repository and building an inclusive organization toolkit.
