

RURAL HEALTHCARE OUTLETS

This document highlights webinar and podcast-based discussions and information on rural healthcare.

PROGRAM	DESCRIPTION
Colorado Community Health Network Webinar Series and Podcast	A series of webinars that focus on different aspects of rural health including health equity, changing roles of support staff, workforce lifecycle and “Lunchtime Learning”
Midwestern Public Health Training Center Podcast	In a series entitled “Share Public Health”, the hosts of this podcast talk with people in a variety of communities about their experiences and perspectives on rural life, employment, and health.
Rural Health Leadership Radio	A radio/podcast that aims to improve the world by engaging rural health leaders in conversations, learning and research.
