The goals are to establish a sustainable model for rural connectivity, including connecting providers to Colorado's Health Information Exchanges, supporting rural providers to adopt health information, data sharing and analytics/tools to support care coordination and quality measurement. Finally, CRHC continued to administer HRSA grant funds to eligible rural hospitals through the generous support from the CARES Act funding.

Line 4c - Third Accomplishment Continued

Annually fact sheets, infographs, an annual report, videos, maps, and other resources are published and made available through electronic outputs and CRHC's website. The annual publication highlights rural health data such as demographic trends, population health, education levels, opioid use, and the economy through the use of infographic data visualization, text, and maps.

Another integral part of CRHC's educational accomplishments has been maintaining a strong slate of communication avenues to keep rural stakeholders informed about changes in the rural healthcare landscape in the midst of the COVID-19 pandemic and beyond.
