

CERTIFIED RHC MOCK SURVEY

Are you prepared to pass your Certified RHC State Survey?

With the RHC Mock Survey, clinics receive a comprehensive evaluation of compliance with existing, up to date requirements for certified Rural Health Clinics (RHCs). This service is offered virtually and in-person.

VIRTUAL

The Virtual RHC Mock Survey includes:

- A physical plant inspection checklist for clinic to perform
- Virtual review of physical plant inspection findings
- Basic review of RHC Policy and Procedures
- Review of the clinic's Annual Evaluation processes and electronic medical charts
- A professional, follow-up summary, recommendations, and report of findings

ON-SITE

The On-Site RHC Mock Survey includes:

- On-site clinic inspection
- Basic review of RHC Policy and Procedures
- Review of the clinic's Annual Evaluation processes
- Review of medical charts (paper or electronic).
- A professional, follow-up summary, recommendations, and report of findings.
